PASSOVER TRIVIA

- Passover is the **oldest continuously celebrated** Jewish festival, the first one celebrated over 3,000 years ago in Egypt.
- In the Haggadah, **Moses is mentioned only once by name.**
- The story of the **exodus from Egypt** is such an important event in Jewish history that it is mentioned in specific daily prayers such as the *Shema* and *Kiddush*.
- Due to shortages in Poland during World War I **sweet tea was substituted for the traditional four cups of wine** during the Seder.
- **Abraham Lincoln was assassinated during Passover.** According to the American Jewish Historical Society, many Jews were at their synagogues for the holiday when the sad news came. Altars in temples "were quickly draped in black and, instead of Passover melodies, the congregations chanted Yom Kippur hymns. Rabbis set aside their sermons and wept openly at their pulpits, as did their congregates."
