Program Spotlight

Spring Garden Shopping Trip

The Spring garden shopping trip brought lots of happy faces, including those of avid gardeners above.

Dre' Dufford, who leads the Garden Club and organizes the yearly trip, was ecstatic about this year's outing. She was especially excited to see all the staff waiting to help when the van arrived from Home Depot where the plants were purchased.

She said, "It brought tears to my eyes when we pulled up to Kavod and saw the staff FROM EVERY DEPARTMENT charging the bus to help us unload."

The raised garden beds are not only beautiful, but provide tasty treats to Kavod residents in the form of tomatoes and other favorite vegetables.
