

January 8, 2021

Dear Family Member(s),

We are sending you information about campus testing next week. Your loved one received a letter with this information today.

- The Denver Public Health Rapid Response Team (RRT) will be administering COVID-19 tests again on Tuesday, Jan. 12 and Tuesday Jan. 19 between 10 am and 3 pm. **\*NOTE - the start time is an hour earlier than usual both days.**
- The procedure will be a quick **nasal** swab.
- Residents will receive either a text or email from Curative OR a letter from Kavod with results in 3-4 days. For questions regarding the Curative test, they can call the Curative Support Line at 1.888.702.9042
- We ask that residents be patient on the day of testing. It takes a long time for the screeners to safely go door to door and complete the tests properly. They will do their best to arrive by 3 pm at the latest, but on the off-chance they arrive after that time, we appreciate everyone's understanding.

**Why we are still testing:**

- Kavod is currently in an outbreak status. The Colorado Department of Public Health and Environment (CDPHE) requires multiple rounds of tests in order to resolve it.
- The CDPHE will continue doing screenings close together to get to a resolution, even if results from prior tests are not yet in.
- *NOTE: If residents have tested positive in the past, they will not be screened. The virus can still be detected more than 3 months after testing positive.*
- We ask that everyone continue to follow best practices for COVID-19 prevention so we can resolve our outbreak.

**Participation is still very important!** For questions regarding testing or appointments THE DAY of testing residents should call 303.396.3171. As always, other questions can be directed to our hotline at 303.591.4890.

**Current COVID-19 numbers:** As of 1/6, Kavod has (0) staff and (4) residents with a positive COVID-19 diagnosis.

**Vaccine Reminder:** CVS Pharmacy will be offering vaccine clinics at Kavod on Jan. 14 and 15. Your loved one will receive a call to set up an appointment if he or she wishes to participate.

Thank you for your continued support.

Sincerely,

A handwritten signature in black ink that reads "Michael Klein". The signature is written in a cursive, flowing style.
