

Kavod Senior Life & Active Minds Present:

Olympics

**Friday, July 23 at 1:00 pm at
Kavod Senior Life | 11 S. Adams Street
Pikes Peak Room | 14th Floor**

Due to COVID, the 2020 Tokyo summer Olympic Games are currently scheduled for July and August of 2021. Join Active Minds as we explore the rich history of the Olympic Games and how they have been involved in a variety of international political issues over the years, including the current controversy over holding the games during a pandemic. Born of diplomatic and political design, the Olympics have always played an important role in international politics. The games provide a stage for both international cooperation and peaceful competition, as well as international conflict and confrontation.
