

EARLY STAGE: WHAT'S NEXT?

A VIRTUAL WORKSHOP

If you or someone you know has been recently diagnosed with Alzheimer's disease, mild cognitive impairment (MCI), or another type of dementia and is living in the early stages, please join us for this workshop designed to help you and your family.

All programs are FREE. Please register prior to attending. To register please visit the link provided, contact the 24/7 Helpline at 800.272.3900, or contact Alicia Aguilar at 720.699.9274 ext.9627.

STAY INFORMED

Living with Alzheimer's: Early Stage 3 Part Series	In the early stage of Alzheimer's disease, families face many new questions. What does the diagnosis mean? How do we plan for the future? What resources are available to help? Join us for this three-part series that answers these and other questions that arise in the early stage. Hear from other care partners and individuals living with Alzheimer's and learn tips and strategies to help support a person living with the disease.	Part 1: Thursday, July 15th	1:00 — 2:30 pm	Please register by visiting: http://bit.ly/LWAESPT1_jul_15 http://bit.ly/LWAESPT2_jul_22 http://bit.ly/LWAESPT3_jul_29
		Part 2: Thursday, July 22nd	1:00 — 2:30 pm	
		Part 3: Thursday, July 29th	1:00 — 2:30 pm	

Additional recommended classes: *Legal and Financial Planning* and *Understanding and Responding to Dementia Related Behaviors*. Please visit communityresourcefinder.org for a schedule of these classes and other resources.
